Brother Herbert Phelps, Bethany Primitive Baptist Church, San Antonio, Texas, is preparing a Nationwide Primitive Baptist Church Directory. He has already completed directories for Texas and several other western states, including New Mexico, Arizona, Nevada, Colorado, California, Washington, and Oregon. He plans to make the directory online and in printed form. We already have all the churches represented in the Texas and Western directories updated on the [MTZ Church Directory listing](#), and we intend to update the directory with the appropriate information when the rest of the directories are complete, as well as provide the directory in an electronic PDF form.

Please submit your Church information to him at Herbert M Phelps III (sunlitbert@satx.rr.com) or to our MTZ contributor Elder David Wise ( elderdavidwise@gmail.com ) and he will remit to Bro. Phelps.

Please send the church information in the following format:

Address: \_\_\_\_\_,

City: \_\_\_\_\_, Zip Code: \_\_\_\_\_,

Elder Name: \_\_\_\_\_, Phone Numbers (Home/ Cell) : \_\_\_\_\_, e-mail address:
