

Map of Churches in MTZ Directory

Written by Admin

Friday, 01 December 2017 11:29 - Last Updated Sunday, 12 August 2018 18:50

We have released a Google Maps version of the March to Zion Church Directory. This map has links to the GPS location of the churches in our directory, along with certain other contact information for the churches. A link to the map is found below.

[Click here to view Google Maps version of the March to Zion Church Directory.](#)

(Note: Not all churches on the MTZ Church Directory are on this Google Maps page because we do not have GPS location for the church. If any updates or edits to this map need to be made, including adding a GPS location of our directory churches, please [contact us](#) .)
